

MESSAGE FROM THE RECTOR

Welcome to Mientrung Industry and Trade College, the multi-disciplinary public school under the Ministry of Industry and Trade - where your career and future start!

With the guideline "Quality is the mission - Success is the destination", Mientrung Industry and Trade College is a prestigious training institution with a 40-year tradition of building and development. Generations of students and graduates after graduated have held many important positions in agencies and enterprises, contributing to the building and defending the country.

In order to affirm the position of the school in the market mechanism, integration is especially suitable with the rapid change of the 4th Industrial Revolution, we have no other way to unite, overcome difficulties, make the most of all resources. Each individual must make every effort to innovate the program, to update the content of the training, the method of teaching and the method of evaluating the learners; proactively cooperate with enterprises, cooperate with domestic and foreign universities.

I urge all teachers, lecturers, officials and students to overcome the current difficulties, to co-operate in the effort to make our school truly change, renew and develop sustainably. Together to create the most favorable environment for each member of the school to have the conditions to promote their own capacity, contribute and dedicate to the development of the school.

With the philosophy of action: "Practical - Practical - Active Integration", the school is pleased to welcome, exchange and cooperate with parents, business community, scientists and experts in order to improve the quality of human resources training for the society, step by step build the Mientrung Industry and Trade College into a dynamic training brand, prestigious and quality in the region and in the world.

Special thanks!
